MISSIONARY TO THAILAND

July 9, 2024

Hey June... Hey America

Hi America, it's been awhile!

This June I attended ten days of meetings in Springfield, Missouri, with hundreds of other missionaries serving around the world. We had worship services, training sessions, picnics, and more. It was a treat to see friends from all over, including several who support me regularly.

Of course, before and after the meetings I got to spend time with my family! We adventured with extended family including a zoo trip with cousins and to Morro Bay to see a friend. My whole trip was packed spending time with wonderful people—even though I didn't take many pictures to prove it.

What's next? I'll be in Lampang and at the market until Christmas time, as well as preparing for itneration that starts in January. Please let me know how I can serve you and your church while I'm in CA this spring.

My brother and parents

Praise & Prayer

PRAISE GOD FOR: time with my family and friends; fruitful meetings; safe travel and good health; friends who hosted the market English table while I was away; my neighbor's interest in church. **PLEASE PRAY FOR:** gospel conversations at the market; upcoming itneration scheduling and raising support; my neighbor and others to be curious and want to follow Jesus.

Spare Sixty Would you please take one minute to pray for this need in the Buddhist world? Ongoing political unrest in Myanmar fuels fighting and has initiated a mandatory draft. Please pray for God's peace to flood the nation, for strength and protection for churches and believers, and for long-term peaceful solutions.
