Why Thailand?

This nation of friendly people, breathtaking nature, and delicious food is spiritually dark—90% of the population are Buddhist and barely 1% are Christian. I have served here for 16 years, the last nine in the northern city of Lampang. Home to 250,000 people, Lampang is known nationwide for its temples, horse carriages, ceramics, and small town vibe. Like the rest of the country, strongholds of Buddhist worship and worldview impact daily life, and many have never had a chance to hear about Jesus.

Pray with me

God breaks through spiritual darkness with His light and salvation in response to our prayer. Join the Change The Map community and my prayer space for ways to pray for the Buddhist world. (QR on back)

Presence = Gospel Access

I host a Free English table at Lampang's weekend night market. It is an amazing way to meet new people, build relationships in the community, and give people an opportunity to interact with a Christian. My greatest joy has been to see a few friends I met there choose to follow Jesus. I am honored to join God's work in their lives as they grow in their faith and learn to share it with others. Jesus is building His church in Lampang!
